

Environmental Policy Statement

Blauberg UK Ltd has been trading since March 1999 and currently operates from Unit E, 99 Boston Road, Beaumont Leys, Leicester, LE4 1AW. The Company is a supplier of ventilation products for commercial, industrial and residential projects.

1. The Director's regard Environmental Protection as a mutual objective for the company and it's employees at least as important as its other objectives.
2. It is the Director's policy (as far as reasonably practical) to: allocate adequate resources, comply with all legal and other requirements, control environmental impacts (associated with its activities, products and services) and prevent pollution.
3. In accordance with the provisions above, the Directors undertake to:
 - 3.1 Identify aspects and impacts over which the company has control or influence, consistently assigning significance as appropriate.
 - 3.2 Identify all legal requirements (and any other requirements to which the company chooses to subscribe) and comply with them.
 - 3.3 Allocate and make use of its resources including, time, personnel, equipment and finances in the compilation, planning, implementation, operation, checking, review and continual improvement of its environmental performance.
 - 3.4 Consult with and make use of specialised knowledge and/or skills in the compilation, planning, implementation, operation, checking, review and continual improvement of its environmental performance as required.
 - 3.5 Co-ordinate and assign roles and responsibilities to everyone in the organisation.
 - 3.6 Ensure that everyone in the company is aware of, understands and agrees to comply with their responsibilities.
 - 3.7 Ensure that everyone in the company is aware of, understands and agrees to comply with the company Environmental Policy, company procedures and rules and any applicable legal and other requirements to which the company subscribes.
 - 3.8 Set objectives and targets for improvements in its environmental performance and review and revise these at planned intervals.
 - 3.9 Compile, implement, test and use procedures to manage its environmental aspects and impacts related to its activities, products and services;
 - 3.10 Compile, complete, reference, file, store securely, protect, retrieve, use, amend and destroy documents and records as necessary in a way consistent with the requirements of this policy and any legal and other requirements to which the company subscribes.
 - 3.11 Educate, inform, instruct, train and/or supervise its workforce as far as is necessary to ensure compliance with this policy and any legal and/or other requirements the company subscribes to.
 - 3.12 Ensure issues relating to its environmental performance are communicated throughout the company as appropriate.
 - 3.13 Make this policy available to the public upon written request.
 - 3.14 Promote a positive attitude to environmental protection throughout the company, starting with top management and disseminating to all parts of the business including suppliers and contractors.
 - 3.15 Carry out planned intervals inspections, internal and external audits of its environmental performance.
 - 3.16 Investigate any non-conformances, accidents incidents and near misses thoroughly to establish the cause(s) and implement further control measures to prevent re-occurrence.
 - 3.17 Commit to the continual improvement of its environmental performance.
 - 3.18 Carry out a review of this policy at least annually, revising and/or improving it as necessary.
